2018 SITE IMPROVEMENT PLAN

The Site Improvement Plan (SIP) is a formal document that is a DECD requirement that outlines the teaching and learning expectations that is our fundamental work for the year.

We have three main goals that we will be working towards achieving during 2018 –

1. To develop productive dispositions in our students to equip them to be successful lifelong learners
 - High engagement with learning
 - Growth mindset
 - Ability to learn independently and collaboratively
 - Taking responsibility for their own learning
2. Equip students with a range of flexible thinking and learning strategies that will allow them to respond adaptively in a range of situations
3. Maximise achievement for all students in all learning areas

Our work will centre on the Australian Curriculum with emphasis in Literacy, Numeracy and Science.

The 16 Habits of Mind and our FRESH values will be prominent across all of our work.

As a team of educators we will continue to develop consistency of practice by further working on our R-7 Agreements in Literacy, Numeracy and Habits of Mind.

Our aspiration is for all of our students to achieve to their highest potential. This will mean that students will experience productive struggle, challenge, expected to take a risk with their learning, to manage and learn from failure.

There will be times when students will feel uneasy and apprehensive. Our students need to develop the skills for learning, to be able to problem solve, be a critical and creative thinker and above all thrive when faced with challenging situations.

N.B. The complete Site Improvement Plan and Targets for 2018 is published on our school's website.

Term 1 Highlights and Achievements

The following are some of the memorable moments to date –

- Creating Quality Classrooms, developing the class motto and vision for 2018
- Goal setting, Getting to know you Chats, Acquaintance Evening and the 3-Ways
- AGM
- Start of the Premier's Reading Challenge
- Bald Bandits shaving their heads to raise money for the 'World's Greatest Shave'
- Casual Day raising money for the Leukaemia Foundation
- Visit from Student Teachers from South Korea
- SAPSASA events – Rugby, Swimming, Cricket, Knockout Tennis and Knockout Softball
- Brainstorm Productions – 'The Protectors'
- Visit from Tanya Plibersek, Susan Close and Annabel Digance.
- School Photos
- Harmony Day
- Announcement of our new OSHC provider – YMCA
- Mix n Mingle evening
- SAPSASA City South Softball with most of the team being girls from WPPS
- Easter Presentations
- Student Leaders Training Day
- Amazing learning opportunities in all classes
- Glendi Festival Display
- Early Years Swimming
- The upcoming Friday Fun Day on the 13th April will be a fabulous way to end Term 1

Facilities Update

There will be considerable work taking place during the upcoming holidays –

- Lake Westbourne we believe will be finally solved!! The broken underground pipes will be repaired and two new sumps installed that should make a huge difference to the run off and overflow of water out to the street rather than collecting as our very own lake. Once this has been completed the pathway along chess lane is expected to also be repaired.
- The outside of Marlborough will have gutters replaced and then be painted.
- In Yard B out front of the Library the asphalt area is to be resurfaced.

An Engineer has completed the survey required to inform what is needed to demolish the pool and reinstate to a level surface. DECD are now seeking tenders to complete the work.

Governing Council have approved funding to go towards a brand new playground to replace the one in Yard B. We will be starting to get a range of companies to provide ideas, suggestion and costings so that we can work with our students to create a design that will accommodate Year 2 up in the not too distant future.

Save the Date - Our Fundraising Events

Korean Home Stay - Host Families Urgently Wanted!

Bring the World Home: Be a host family to a Korean student.

We are searching for willing families to host Korean students aged between 10 and 12 in Term 3, 2018; late July early August for 3-weeks.

What does it take to be a homestay?

You can be single/a couple/family with children/empty nester/retiree. Whoever you are, what's important is that you take care of our students.

What will your family learn by hosting a student?

Every family gets something different from the experience. There is no doubt you will learn a lot about a new culture, food, language, customs and traditions, but you will also have the chance to:

- participate in activities and meet other host families.
- be a tourist in your own town/State as you show your student around.
- make lifelong friendships with your student and their family.

Caring for someone else's son/daughter is a big responsibility:

- you will need to have a current Relevant Criminal History Clearance for anyone that lives in your household that is over 18 years of age.
- we will do a personalised home visit and provide an information session.

Banners for ANZAC Day

This year the RSL is inviting all schools in Adelaide to participate in a special remembrance activity to commemorate the final year of The Centenary of Anzac 2014-2018. This activity is to create a banner. M4's banner will be on display at the Semaphore and Port Adelaide RSL Sub-Branch during ANZAC day (25th of April).

We worked in groups, brainstormed our ideas, and then created our final banner.

Mrs Brown - M4 Class Teacher

GRIP Leadership

On the 16th of March, the School Captains and Student Executive Presidents attended the GRIP Leadership Conference held at the Adelaide Entertainment Centre. This conference was all about what makes a good leader and how to help our school in being leaders.

During the conference we learnt valuable life leadership skills that will benefit us and our school. We learnt about what integrity is, ways to transform into a leader and ways to contribute a positive change.

All of these activities are aligned to our Habits of Mind, FRESH Values and community service. We came back to school with the knowledge of what a leader is and how to help our school. Now we are all planning 30 minute sessions, briefly explaining to all 6/7 students in our school about what we learnt. With all this new knowledge we will be able to contribute positive change around our school to benefit others.
