ISSUE 1

31 JANUARY, 2020

From the Principal

Dear WPPS Community,

Firstly, welcome to the start of a new school year. For those returning to Westbourne Park PS I hope you had an enjoyable and relaxing Christmas period. I warmly welcome our new students and families, and extend a special welcome to those who are starting school for the first time.

Hello, I'm Jason and I would like to take this opportunity to introduce myself as the principal of the school. My appointment was a very last minute process at the end of 2019, but I am excited at the opportunity of being part of such a great school. My career in education spans 28 years, which includes the last 8½ as principal at both Lockleys Primary School and most recently, Eden Hills Primary school where many friendships and relationships were made.

The start of this year has been positive in getting to know the staff and some of the processes and routines that are already in place, and making a connection with the students and some parents. I have been made to feel very welcome and I look forward to building on these over the coming weeks.

I believe strongly in collaboration, partnerships and student focused learning and I am excited about leading Westbourne Park through its improvement journey.

If you see me around the yard come up and say hi. It will take time to learn names and faces but it would be great to meet you.

One of the things I introduced at Eden Hills was a coffee van to connect people which proved very popular. I am trialling this at Westbourne Park, so there will be a coffee van in the yard on Tuesday mornings before school for staff and parents to purchase from. It will be located near the gum tree in front of the sport shed. This is a great way of making connections, so bring your own cup (it's cheaper and environmentally friendly) and enjoy a morning beverage. Unfortunately for WHS reasons students aren't allowed to access this service.

I look forward to working in partnership with you over the coming terms.

Regards,

Jason Munro

Canteen News

Hope you all enjoyed a wonderful break and wishing you all the best for 2020.

A menu which summarises what is available for order on Qkr has been sent out on Qkr. All lunches must be pre-ordered. Full pricing and menu items will be available on Qkr and may vary with different specials allowing me to work with the seasons and keep the menu interesting.

SNACKS from \$0.80

Offerings will vary daily

**FOR SALE OVER THE COUNTER AT
RECESS AND LUNCH AND VIA QKR
WITH LUNCH ORDERS**

Fresh Seasonal Fruit (GF) .. from...	\$1.60
Apple Slinky (GF)	\$2.00
Homemade Biscuit	\$1.20
Popcorn (made fresh onsite) ...	\$1.20
Muffin	\$2.00
Bliss Ball	\$1.80
Pikelets	\$0.80

Pricing for snacks is available (see left), so you know how much money you need to send with your child if they wish to purchase over the counter at recess and lunch.

The specials for this term will continue with Sushi on Wednesdays, Mexican on Thursdays and Yiros on Friday starting week 2.

I am also trialling recess orders on Qkr from Tuesday to Thursday.

These orders will be collected by your child from the canteen at recess, so it is important to let them know you are ordering. Orders will need to be placed via Qkr and the cut-off time will be 9:00am as with lunch orders.

**NEW RECESS ORDERING
SYSTEM AVAILABLE ON QKR!
FOR COLLECTION FROM THE
CANTEEN AT RECESS**

I will re-evaluate how the recess menu is working at the end of Term 1, and it will then be decided if it continues.

As always my menu, is predominantly freshly made in the canteen using lots of wholesome ingredients. If not made on-site, I endeavour to support local business. I am really pleased that all pastries and breads will now be supplied by The Village Baker at Black Forest.

Volunteers

The canteen can't function without the help of volunteers. It is a great way to get involved in the school and the kids love to see you in the canteen. Shifts are roughly 3 hours Tuesday to Friday and involve meal preparation for recess and lunch and serving.

If you, or someone you know, can spare a few hours whether it be weekly, fortnightly, once or twice a term, I would love to hear from you/them. Grandparents are very welcome.

I am also looking for people who would be interested in baking at home for various functions I cater for at the school, and canteen special days. Usually this would be required a couple of times a term. Please contact me via phone/email - details below.

All volunteers need to complete the required documentation to volunteer at the school (not necessary for baking at home). Please see the front office if you are unsure of requirements.

Vegetable Garden Volunteers

Do you enjoy gardening and would like to be involved in maintaining the vegetable plots that are used to grow produce for the canteen? If you are interested please contact me.

As a result of the application process for a Canteen Assistant I am delighted to congratulate Pam Butfield on her appointment to the position. She will be working 6 hours per week.

We both look forward to another highly successful year in 2020.

Thank you and warm regards

Habits of Mind

Persistence - Stick to it!

"If at first you don't succeed, try, try, again." Make it fun and okay to try again. Play board games, work jigsaw puzzles, practice shooting goals, do experiments or plan a small garden for fun. Persevere in tasks until they are complete. Remain focussed.

From the Library

BYOD

Forms for the BYOD program will be going home shortly. These forms need to be completed each year and returned promptly please.

PREMIER'S READING CHALLENGE

We strongly encourage all students at Westbourne Park Primary to do the Premier's Reading Challenge.

Students can participate in this scheme by reading 12 books by early September. (8 books from an extensive Premier's Challenge list and 4 of their own choice).

The books are available for borrowing in our school library. We have placed some of them in coloured tubs for easy access. The books also have a sticker indicating they are from the PRC list.

As the children read the books, they need to have the titles recorded on a Student Record Form. This can be obtained from your child's teacher or the library. Children also need to put in the author's name, and have each one signed off by a parent, teacher or librarian.

Students who successfully manage to read 12 books receive a certificate from the Premier for the first year they complete it and medals in the following years.

More information is available on the website;

www.premiersreadingchallenge.sa.edu.au

We believe this is a very worthwhile scheme. It is promoting reading by using some excellent children's books and **all** children are capable of being successful. We hope all children will receive a certificate or medal in November.

Scholastic

The library has 2 different ways for you to purchase children's books.

Book Fair: Each year we conduct a book fair through Scholastic Books. At this fair you can purchase the books immediately and take them away with you. The School receives a substantial reward through these fairs.

Scholastic Book Club: Booklets are sent home and orders with payments are made online through www.scholastic.com.au/LOOP. These orders are processed and sent back to the school. The school receives vouchers for the amount of books sold and these are used to obtain free teaching materials and books from Scholastic. If you wish to pay by cheque, Order Forms can still be handed into the Office. **CASH PAYMENTS CANNOT BE ACCEPTED.**

Lost and Damaged Books

If students return damaged books or kits, we ask for replacement costs. Most books are damaged by leaking drink bottles so it helps to put books in a plastic bag.

Generally we only ask for replacement costs for lost books once there has been a thorough check of the classroom and we have completed a stock take at the end of the year. We also understand that most books come back!

How to Crunch&Sip®: a guide for parents

Crunch&Sip® is an easy and practical way of getting kids to eat more vegetables and fruit.

To Crunch&Sip® every day, send your child to school with:

- A clean, clear bottle filled with water
- An extra serve of easy to eat vegetables or fruit

Preparing and storing Crunch&Sip®

- **Wash** all fruit and vegies. Get the kids involved in this!
- **Cut** fruit and veg into easy-to-eat pieces
- **Store** fruit and veg in a sealed container
- **Chill** in an insulated lunch bag for extra crunchiness
- **Include** a spoon or fork for juicy fruit and veg like mango, avocado and melon. This will stop sticky fingers in the classroom.
- **Time saving tips**
 - Prepare vegie sticks in advance! They will stay fresh in the fridge for several days if kept in an airtight container with a wet paper towel.
 - A whole carrot, apple or celery stick is perfect for older kids – no chopping required! Sugar snap peas, cherry tomatoes and grapes are good for little ones.

Crunch&Sip® inspiration

Are your kids tired of the same carrot sticks and apple for Crunch&Sip® each day? Choosing different coloured vegetables and fruits keeps it interesting and is good for you too!

Different coloured vegetables and fruit provide different vitamins, minerals and phytonutrients. This will help give your children the right balance of nutrients for good health. Eat a rainbow!

Carparking & Road Safety around the school

School Drop Off Zones & Signage Rules

Parking restrictions around schools are specifically designed to improve the safety of pedestrians and minimise traffic congestion.

Familiarise yourself with parking restrictions around the school and obey the parking signs and restrictions.

We also ask that you ensure that you are not parking across our neighbours driveways. Please be respectful of the local residents.

It is safer to park your car and walk to meet children at the gate rather than parking and calling children across the road.

Please remember that the parking areas on the school grounds are for staff and delivery vehicles only. We also ask that for the safety of the children, they are encouraged to use the normal entrance areas of the school and not use these parking areas as shortcuts.

NO STOPPING ZONES -

These zones are usually adjacent to school entrances and the approach and departure sides of school crossings.

You must not stop your vehicle in a no stopping zone or on a solid yellow line, not even for a few seconds.

NO PARKING ZONES -

You may stop in a No Parking zone to immediately pick up or set down your child, and drive off as soon as possible.

No Parking zones are to ensure a quick and smooth turnover of vehicles.

You must not leave your vehicle parked or unattended. If you are going to collect your child from this zone, have your child wait nearby in the school grounds so they can see you arrive. On your arrival they can then leave the school ground, enter your vehicle and you can then drive off.
